PROPOSITION

Shall the Board of Education of Cache County School District, Utah, be authorized to issue general obligation bonds in an amount not to exceed \$129,000,000 and to mature in no more than twenty-one (21) years from the date or dates of issuance of such bonds for the purpose of raising money for acquiring and constructing school buildings and facilities, acquiring land for school buildings and facilities, acquiring furnishings and remodeling and updating existing school property, including seismic upgrades, under the charge of the Board of Education, and, to the extent necessary, for providing moneys for the refunding, at or prior to the maturity thereof, of general obligation bonds of the Board authorized hereunder or heretofore issued and now outstanding?

PROPERTY TAX COST OF BONDS

If the bonds are issued as planned, an annual property tax to pay debt service on the bonds will be required over a period of 21 years in the estimated amount of \$167 on a \$197,000 residence, and in the estimated amount of \$304 on a business property having the same value.

If there are other outstanding bonds, an otherwise scheduled tax decrease may not occur if these bonds are issued.

The foregoing is only an estimate and is not a limit on the amount of taxes that the governing body may be required to levy in order to pay debt service on the bonds. The governing body is obligated to levy taxes to the extent provided by law in order to pay the bonds.

To vote in favor of the above bond issue, select the box immediately adjacent to the words "FOR THE ISSUANCE OF BONDS." To vote against the bond issue, select the box immediately adjacent to the words "AGAINST THE ISSUANCE OF BONDS."
