MESSAGE FROM THE MAYOR – Hyrum City knows how to celebrate the 4th of July! Thanks to all who helped to make this celebration a grand event. A particular thanks goes to Councilmember Scot Allgood for arranging the Patriotic Program, Councilmember Aaron Woolstenhulme who took charge of the parade, Councilmember Jared Clawson who oversaw the booths on the city square, Councilmember Paul James for overseeing the events for the fireworks, and Councilmember Martin Felix for being in charge of the watermelon served after the parade. A big thank you to our city staff for their help and our city employees who spend countless hours putting up flags, grooming parks, sweeping streets and cleaning up after all of these events. We are blessed to live in America and enjoy the liberty and freedoms we enjoy.

Sincerely,
Mayor Stephanie Miller

CABIN GENERAL STORE – The cabin general store is located west of the Hyrum Library. Come visit this summer and purchase some of your favorite old time candy. It will be open during the summer on Tuesdays, Thursdays, and Saturdays from 10:00 a.m. – 2:00 p.m. We welcome any adults that would like to volunteer during those hours to contact the city offices.

SALT HOLLOW PARK – Just a reminder of things that are NOT allowed at Salt Hollow Park. Please no swimming in the ponds, no ice blocking, and no mud slides. Thank you for your cooperation.

MUSEUM NEWS – If you are looking for a great way to beat the summer heat, head to the air-conditioned museum to see our temporary exhibit on historic flags. Take a tour through our nation's history by discovering the story behind the twenty-five amazing flags on display. Don't wait too long because the exhibit only runs until August 16th! Special thanks to Museum Board Member Steve Downs for putting this exhibit together!

Speaking of the Hyrum City Museum Board, it's one of the best and we've had a change this summer. We'd like to welcome Doug Nielsen to the board and are excited for his involvement. We'd also like to thank J. S. Bushman for his service on the board over the last two years.

There will not be a workshop this month since the second Saturday of August is the Cache County Fair. With such a rich agricultural history, there's no better way to engage with the region's heritage. While no workshop will be held, the museum will be open normal Saturday hours from 10:00 a.m. to 3:00 p.m.

LIBRARY NEWS – Summer reading has been a blast!! Thanks to all who helped make the program so successful, especially all our patrons who participated. The UNPLUGGED program was a huge success and we look forward to being a part of it again next year. All of you helped the library have its biggest month ever in June.....39,311 checkouts!!!

DON'T FORGET: Eric Herman concert July 28th at 7:00 p.m. at the library amphitheater. Come enjoy a night of fun music and entertainment by one of our favorite children's performers.

With a new budget year, we always have lots of new books, DVDs, and audio books at the library. Come check out what is available.

Mark your calendar for our Downloadable Mondays. If you need help with your new device, check out the library for classes to be held each Monday at 11:00 a.m. Each week focuses on a different device, so call to see when we hold classes for your Nook, Kindle, or iPad.

Our regular story times will begin in September for all 3-5 year olds. Sign-ups are always on the first day of each month. You may call or come in to sign up your child. We are hoping this year that if you sign up and are not able to make it, that you will call to remove your child from the list. There always is a waiting list and that way we will be able to accommodate more children for the program. Chess club will be starting up soon. More information will be forthcoming.

It's not too early to be thinking about Christmas. We have the perfect gift for you to give a loved one. Purchase a brick in their honor to be installed on our second donor wall. For \$100 (tax deductible) you can engrave the sentiment of your choice. Call the library for more information.

The library will begin two free computer classes in September. The first is "Online Research for Work or School". The second class is "Finding Your Lost Family: Introduction to Family Research Databases." Both of the classes are being offered by Cris and Donna Wagner, new owners of Pintech Computers. Dates and times will be announced. You may call the library for more information. We will also be offering more classes in the fall.

SENIOR NEWS – The Hyrum Senior Center is open Monday – Friday from 9:00 a.m. – 2:00 p.m. All seniors are invited to come in and join us. Lunch is served each day at noon except for Thursdays (those are road trip days). Please call before 10:00 a.m. to get your name on the list. We are starting an advisory committee made up of two people from each small city south of Logan from River Heights to Avon. This would require a meeting every other month, ideas of things to make the senior center better and help at big socials. We are in need of both men and women. Please call if you are interested in helping us out. This is a two year term.

Mondays – Yoga Mat Class, 9:30 a.m., pool and quilting. (no chair yoga in August)
