Mayors Message – We are fortunate to live in a community that values recreation. The Uniform National Land Standard suggests 10 acres of recreational property per 1,000 people. Hyrum is well past that standard, with 29 acres per 1,000 people and a total of more than 173 acres of recreational property available to the public.

Hyrum has 13 parks with amenities like playgrounds, a soccer complex, rodeo grounds, lighted baseball and softball diamonds and tennis courts. The city also owns and maintains parcels of land up Blacksmith Fork Canyon, where you'll find a day-use lodge and primitive camping. There are plenty of

nearby trails for hiking and biking.

The following is a list of properties owned by Hyrum City. Information about our parks and reservations can be made at www.hyrumcity.com or with the City Office 245-6033.
