

Solar Installation Process

- Fill out and submit power purchase agreement
- Fill out and submit generating facility application
- Fill out and submit building permit application and attach engineered plans
- Pay Fees
- Once fees are paid in full, and engineer approval and city clearance obtained, necessary paperwork can be submitted to Cache County for the Solar Installation Permit.
- After the county inspection, Hyrum city installs solar meter.

If you have any questions or to submit paperwork please contact Shalyn Maxfield at smaxfield@hyrumcity.com or call 435-245-6033
