RE: Little Feeder Pump Station Project

Dear Ron,

AQUA Engineering, Inc. has evaluated the bids opened for the referenced project at 10:00 am Mountain Time on Wednesday April 5, 2017. Circle B Irrigation (Circle B), 4075 N. Hwy 91, Hyde Park, Utah, 84318 is the apparent low bidder with a total tabulated bid amount of \$225,150.59. A bid tabulation is attached for reference.

AQUA Engineering contacted two of the references provided by Circle B. Kirt Lindley (Wellsville Mendon Canal Company – Electrical pump station project) gave positive feedback stating that Circle B was easy to work with, finished the project in a timely manner and had no issues. John Meikle (Cache Highline Canal Company – Canal diversion) stated that Circle B did a great job and kept their schedule for the project.

Based on Circle B's references, AQUA Engineering recommends awarding the project to Circle B Irrigation for the bid amount of \$225,150.59.

Sincerely,

**AQUA ENGINEERING, INC.**
