

Hyrum City Council-Members

Thank you for allowing me the opportunity to introduce my self

My Name is Wanda Price Lewis

I am a resident of Hyrum City,

I am Qualified to Serve you and the City of Hyrum

I wish to fill the vacancy left by Council member

Aaron Woolstenhulme until December 2017.

Then to run and fill it for the two years remaining of his term as a Council member.

I find that you will have an interest in my experience and talents, that will assist Hyrum in a pleasing, dedicated manner.

I have the ability to seek out what our community desires for Hyrum to look like, feels like to work and live here. Our citizenry comes first and that is who we serve. That is one of our Oaths.

I am skilled in organization, a great listener and researcher with Many Civic Service and duties from my past. Here are just a few of them.

Formed an Education Foundation to assist teachers in class supplies and project funding grants, non-Athletics or sports related. In Lowpoint /Washburn District 21 of Illinois. Serviced as an EMT, Illinois for over 5 years Life Flight, Hazmat and OSHA certified

In Utah I have been A State Delegate for our Precinct Chairmen and Vice Chair.

Enoch City: planning and zoning board member for 4 years

I have served in every City that I have lived in some civic capacity in full trust of my duties, including the Hyrum Museum Board as it was developed

If you have any questions I will be happy to answer them.
