Mayors Message – We have received record amounts of snow and rain this year. Even so, we still need to be wise as we use water this summer. A typical Utah household will use twice as much water outside than necessary. Utah consumes about 240 gallons of water per person per day. For conservation tips and a residential lawn watering guide visit www.conservewater.utah.gov/guide.html Included is a list of water wise plants that adapt well to Utah's arid climate & cold winters that only need to be watered once every 2 weeks, at most. This site also lists participating nurseries that carry water wise plants. Examples of homeowners that

have implemented these principles and plants in their own yards can be seen. I encourage you to take a look at this website and do your part to "slow the flow." Have a great summer!

Sincerely,
Mayor Stephanie Miller

Congratulations to the following girls who were chosen to represent Hyrum City for 2017 (left to right): Josie Hall (Daughter of Jason & Janeal Hall), Maddie Adams (Daughter of Steve & Amy Adams), Mayra Lebow (Daughter of Eric & Jennifer Lebow), Brenna Roe (Daughter of Eldon & Jody Roe), Fernanda Silva (Daughter of Alma & Serafin Silva), and Rachel Barlow (Daughter of Kevin & Janice Barlow. Special thanks to everyone who participated and helped with the pageant.

4th of July Celebration – A reminder of new changes that have been made to our upcoming 4th of July Celebration. Property along the parade route can only be marked off and saved the day of the parade beginning at 5:00 a.m. Anything marked before that time will be removed. Over the years we have experienced damage to property as well as problems mowing and watering to prepare for our celebration. Please help us inform others from our surrounding communities of this change.

We appreciate the help of the Cache County Sheriff's Office during our celebration. The city council as well as the sheriff's office continue to make safety our highest priority especially during our parade. Unsafe or reckless operations of vehicles will not be tolerated. Entries that plan to distribute candy and/or other giveaways during the parade MUST assign someone to walk the parade route in order to safely distribute items to spectators. Participants are not allowed to hang off the sides of vehicles during the parade, and all vehicles must remain in the travel lane of the parade.

Parades are a wonderful way to bring communities together. We want to make our city celebration as safe and fun as possible for everyone.

Hardware Ranch Service Opportunity – In early December citizens of Hyrum have enjoyed the Holiday at Hardware Ranch for many years. Attending this event has become an annual tradition for many families in our community. To show our appreciation for the generosity of the folks at Hardware Ranch, we have scheduled a day where Hyrum citizens can provide service at Hardware Ranch to help with various projects to enhance and improve the area. We will meet at the lodge parking lot at Hardware Ranch at 9:00 a.m. on June 17th and plan to be finished by noon. Please RSVP via text to Councilmember Craig Rasmussen (435) 232-7265 for this activity with your name, phone number, the number of people in your party and what equipment from the list below that you can bring with you. Some of the projects we will be working on include camp site improvements, removal of fallen trees, repairing or building fences, landscaping, and trash cleanup. Please bring picks and shovels, wheelbarrows, rakes, will need 2 or 3 chainsaws with experienced operators, and fencing equipment. If someone has a trencher for trenching irrigation piping that they are willing to bring it would be a great asset. Thank you!

Hyrum City Dog Park – Hyrum City recently opened its first dog park on Hammer Road and Hyrum Blvd. This park is a place where your dogs can run free in a safe and fenced-in area that has hills, water, grass and dirt. There are two separated areas in the park for both small and large dogs.

Please remember to clean up after your dog and put the waste into the trash receptacles. Let's keep this park a beautiful and clean park for all of us to enjoy.
