During this stressful time, Hyrum City is doing all we can to adapt to rapidly changing situations. PLEASE conduct business via phone and online wherever possible: (435) 245-6033. We are here to help!

UPDATES AND NOTIFICATIONS: Hyrum City will be regularly updating our website www.hyrumcity.com and Facebook page with new information.

UTILITY PAYMENTS: We discourage cash payments at this time — Here are a few options for Utility payment - Credit Card payments can be made over the phone 435-245-6033 (for no additional charge), or deposited in the utility payment drop box (between the City Office Building & Elite Hall) or online www.hyrumcity.com.

CITY OFFICES: Hyrum City is conducting business, but at the direction of federal and state officials to reduce the spread of Covid19, and in order to protect the health of our employees, we have employees working from home and the city office is open by appointment only. Hyrum City is open for business but business is being done through telephone calls 435-245-6033 and by appointments.

CITY PARKS: City Parks are open and can be a place for people to spread out and get some exercise. But please be cautious about congregating at places like playgrounds.

SENIOR CENTER, LIBRARY AND MUSEUM: The Hyrum City Senior Center, Library and Museum are closed until further notice. The closures are being taken as a precautionary measure to prevent potential spread of COVID-19.

We are trying to set a good example, and encourage other businesses to do the same. We all need to get work done. We encourage everyone to be diligent at using the phone, having conference calls instead of face to face meetings, keeping
distances of six feet, and practicing extra cautious handwashing and hygiene.

Thank you for making sacrifices and being considerate of others to help our community get through this!
