PUBLIC INFORMATION NOTICE
CANCELLATION OF EVENTS IN HYRUM CITY

Many residents received the newsletter this past week which included a notice about the Easter Egg Hunt being held. The newsletter was written in early March and was sent to a printer for distribution with the utility bills. Once Hyrum City received notice in the middle of March regarding no public gatherings with more than 10 people, Hyrum City immediately cancelled the Easter Egg Hunt in April, softball and baseball registration, and Hot Dogs and Hot Wheels in June. However, there was not a feasible way to correct the newsletter to inform our residents that these events had been cancelled.

Like many in our community, we too are disappointed that events like these had to be cancelled but the safety of our community comes first. In addition to these events Hyrum City is also no longer allowing use of the playground equipment in City parks. Future events planned for this summer may also have to be cancelled and we will keep you informed.

We encourage our community to find creative ways to celebrate these events safely from home with the people they live with, and connect with other loved ones online. Together, we can stop the spread of COVID-19 in our community.
