Mayors Message – Treating others with dignity and respect is of the utmost importance. Utah's Governor Cox is chairman of the National Governor's Association. The message he has been sharing with them is that we need to be able to disagree without attacking other people. We do that by trying to understand others while helping them to better understand us. "Each one of us is born with inherent worth, so we should treat everyone with dignity – no matter what."

I want to share a quote by D. K. Webb. "It's time we all recommit to America – to her

values, her traditions, her history, her heritage, her majesty, her nobility, her compassion, her humility and her holy awe. Regardless of our party preference or political stance, regardless of which presidential candidate we supported or which amendments we opposed, we are – in all of our diversity – one people with one heart and one mind. We are the benefactors and beneficiaries of a powerful democracy – the strongest republic in the civilized world. The democracy that governs us is a "government of the people, by the people, and for the people." It is up to us, as the people, to stand with her. We, the people, are a powerfully united entity! I'm proud and grateful to be an American!

Sincerely – Mayor Stephanie Miller

Ordinance Highlight - 6.12.010 Animal Licensing & Rabies Vaccinations

Except as provided in this section, no person shall own, keep, or harbor any dog over four (4) months of age within Hyrum City unless such dog is vaccinated and licensed. All dogs shall be vaccinated against rabies. The provisions of this section do not apply to animals owned by a licensed research facility or held in a veterinary medical facility or a licensed government operated animal shelter, a rescue agency or authorized foster care provider.

1. Application for a license must be made within thirty (30) days after obtaining a dog over four (4) months of age, except that this requirement will not apply to a nonresident keeping a dog within Hyrum City for no longer than thirty (30) calendar days. Temporary dogs must have a valid rabies certificate and are subject to all other ordinances, rules and regulations while in Hyrum City, pursuant to the provisions of this title. The city shall provide applications for a dog license and shall include the name and address of the owner and the name, breed, color, age, and sex of the dog. Applicants also shall pay the prescribed licensing fee and provide proof of current rabies vaccination.
2. The licensing period shall begin the first day of the calendar year and shall run for one year. License renewal may be applied for within sixty (60) days prior to the expiration date. New residents must apply for a license within thirty (30) days of establishing residency.
3. A license shall be issued after payment of a fee according to the prevailing fee schedule for each dog. Persons who fail to obtain a license as required within the time period specified in this section will be subjected to a late fee as set forth in the prevailing fee schedule.
4. Evidence of license for the previous year may be required of all persons desiring to relicense a dog under the provisions of this section. Any person attempting to license a dog that was not properly licensed during the previous year, had passed the age of four (4) months, and had been in the city more than thirty (30) days prior to January 1 of the current year, shall be required to pay:
 1. The appropriate license fee for the previous year;
 2. The appropriate license for the current year; and
 3. The late fee as provided by subsection D of this section.
5. License fees shall be waived for trained service dogs serving the disabled or government owned dogs used for law enforcement. All other licensing provisions shall apply.
6. Upon acceptance of the license application and fee, Hyrum City shall issue a durable license tag including an identifying number, year of issuance, city, county, and state, which must be attached to the collar of the dog. Tags must be worn at all times. Hyrum City shall maintain a record of all licenses issued, and such records shall be available to the animal control officer.
7. When a resident purchases or otherwise acquires a dog already licensed with Hyrum City for the current year, the new owner may transfer the existing license for a fee in an amount set by resolution of the City Council. This transfer must take place within thirty (30) days from the date of purchase or acquisition or the dog must be re-licensed according to the provisions of this chapter. If the newly acquired dog comes from outside Hyrum City, or its owner has moved into Hyrum City and brought the dog with him, and the dog carries a valid license from another jurisdiction, the new owner may obtain a Hyrum City license by offering proof of rabies vaccination and paying a transfer fee in an amount set by resolution of the City Council. This transfer must take place within thirty (30) days from the date the dog is brought into Hyrum

City or the dog must be re-licensed according to the provisions of this chapter. (Ord. 92-10 § 1 (part): prior code § 13-242 (O); Ord. 08-06)

8. Each household may own, keep, harbor or maintain no more than two (2) dogs over the age of four (4) months unless they are a service dog trained to perform a task related to a person's disability, or operating a commercial kennel (see HCC 6.20). Other than single family dwellings all other residential buildings will be permitted one (1) dog per dwelling unit, (e.g. Duplex - two (2) dogs total, Fourplex - four (4) dogs total), a service dog trained to perform a task related to a person's disability is not counted in the number of dogs permitted in other residential buildings.
