Mayors Message – As the weather begins to warm up you will probably have occasional door to door solicitors. I want to share some of the city code regarding solicitors, so you understand your rights and their responsibilities.

Residents of Hyrum City have an inalienable interest in their personal safety, well-being, and privacy in their residences, as well as their ability to provide or receive information regarding matters of personal belief, political or charitable activities, and goods and services lawfully in commerce. The City has a

substantial interest in protecting the well-being, tranquility, personal safety, and privacy of its citizens, which includes the ability to protect citizens from unwanted intrusions upon residential property. The City also has a substantial interest in protecting citizens from fraud or otherwise unfair consumer sales practices as well as criminal activity.

All persons desiring to engage in Door-to-Door Solicitation within the City, prior to doing so, shall apply to the City and obtain a certificate. The City will issue each registered solicitor an identification badge that shall be worn prominently on his or her person while soliciting in Hyrum City. The identification badge shall bear the name and logo of the City and shall contain: (a) the name of the registered solicitor; (b) address and phone number of the registered solicitor, or the name, address, and phone number of the responsible person or entity is provided; (c) a recent photograph of the registered solicitor; and (d) the date on which the certificate expires.

Any occupant of a residence may give notice of a desire to refuse solicitors by displaying a "No Solicitation" sign which shall be posted on or near the main entrance door or on or near the property line adjacent to the sidewalk leading to the residence.

It is a violation of this chapter for any person soliciting or advocating to knock on the door, ring the doorbell, or in any other manner attempt to attract the attention of an occupant of a residence that bears a "No Solicitation" sign or similar sign or placard for the purpose of engaging in or attempting to engage in advocating, a home solicitation sale, door-to-door soliciting, or soliciting.

Any solicitor who is at any time asked by an occupant of a residence or dwelling to leave shall immediately and peacefully depart. It shall be unlawful for any person, whether licensed or not, to solicit at a residence before 9:00 a.m. or after 9:00 p.m. mountain time, unless the solicitor has prior permission from the resident to do so.

If you have a solicitor that doesn't meet the qualifications or ignores your right to privacy you can call the non-emergency number (435)753-5555 to report it.

Sincerely – Mayor Stephanie Miller
